

Pawnee Village

April '12 Edition

Congratulations

Pawnee's March YOM winners!

Spc. and Mrs. Lonnie Durham at

4363A Chosin Loop

Thank you for helping make

Pawnee Village

a beautiful place to live!

**April is the month of
The Military Child!**

A friendly note from your mayor...

We have had a **STRONG** presence lately from our unit sponsors, BBC, and other Fort Carson chain of command. They have been doing walk-throughs lately and some of you have been complaining about the tickets/citations. Please remember these are continuously happening to encourage us to follow BBC's policies and make this a wonderful community to live in. These walk-throughs are NOT always a bad thing. During these walk-throughs it is also being notated on the things that Pawnee Village may be in need of. As your mayor, I am continuously trying to push for the needs of the community and passing along the issues that you all are contacting me about. Please know these are **NOT** my tickets/citations, I am in no way capable of fining **ANYONE**. I know some of you are unsure of how the mayor program works and understood that these were from me. They are **NOT**. I am simply here to be the voice of Pawnee Village and try to better the place in which we all live.

For those of you that missed the "Pawnee huddle" on March 13th...some of the topics discussed were unsupervised children. **PLEASE** make sure that you know where and what your child/ren are doing at all times.

Some other reminders...

There has been a rise in the dog fecies throughout the village and though we are trying to get a doggie dumpster please know that it is your responsibility as a pet owner to pick it up and throw away. Please do NOT leave it in your neighbor' s yard, this IS considered a violation and can cause a warning if your neighbor reports you. Since moving on-post you may have recently added a pet to your family, make sure to register them with BBC. Also remember your pets should have proper food/water/shelter when they are outside.

It is now warm enough to start watering your grass and get it nice and green!! BBC self-help will be giving out FREE grass seed and fertilizer...so get an early start.

For those spouses that may leave for a longer period of time while your military member is deployed, remember that you are still responsible for your home. If you need someone to look after the property feel free to let me know so that I can get you in touch
