- *POWER OF ATTORNEY if you will be signing tax return for a deployed soldier

We would like to welcome our new Unit Sponsor 1SG Duran. He will be working with Balfour Beatty and your Mayoral staff to help clean up our Village. Balfour Beatty will give citations to residents who are not maintaining their yards and stoops. Trash cans need to be put away the same day as trash day. Take pride in our village and do your part to help keep it clean.

Yard
Sales Start April 7th

Yard Sales are allowed 1st & 3rd Saturdays of each month

NEIGHBORHOOD WATCH PROGRAM

The program teaches citizens how to help themselves by identifying and reporting suspicious activity in their neighborhoods. Volunteer with your neighborhood mayors and help us strengthen informal social control and restore a 'sense of neighborhood' in our communities. The reason Neighborhood Watch Programs are effective is rather simple: Involving community members in watch programs de-

creases opportunities for criminals to commit crimes rather than attempting to change their behavior or motivation. Please message us and let us know if you are interested in volunteering.

Pet Owners

Pets found running loose on Fort Carson can now be retrieved at the Land of Ahs Kennel in Fountain. 12599 Jordan Rd. (719)382-0188 Photos of the animals collected from Ft. Carson will be posted at :http://www.fcar.biz

- Housing regulation allows only two pets per home.
- If taking your pet for a walk take a bag to clean up feces.
- Keep feces cleaned up in your front and back yard
- All pets must be registered with housing and the Ft. Carson Veterinary Facility
