

February 2013

Fort Carson

Kiowa Village News

February

We welcome February and all of the candy hearts and chocolates that come with a certain holiday during this month. As well please keep in mind this is also a period of departure for some of our troops and family members. And if you do decide to leave your home and go to visit family let BBC know by filling out a form as well as telling a neighbor just so that your home will be safe.

We also welcome all those just PCSing here to Fort Carson. We hope you enjoy your stay in the beautiful Pikes Peak area. Thank you all for you service, whether coming or going, thank you!!

Neighborhood Watch Program

We will be waiting to hear from residents as to know the best time for our next meeting. Those interested in participating let your mayor and deputy know and we can train and instruct you as to the nature of the program and we can also start going on the neighborhood walks throughout Kiowa, which your mayor and deputy mayor do already at least twice a week, so if this sounds interesting to you, let us know and we will help you get started. Thank you for all who have expressed an interest we appreciate and need neighborhood involvement for this program to be a success.

Come visit ACS-there are so many programs available to you from financial readiness to volunteering to relocation readiness to Mobilization and Deployment Readiness. If there is a question this resource network will give you the help you need.

PLEASE...We are asking all residents to consider your neighbor. Is your dog barking during quiet hours? Have you let all of your garbage blow around and your neighbors have to clean it up? Many people get angry and are considerably grumpy when having to handle these issues on a regular basis. The leasing agents at BBC issue resident citations for multiple reasons and should you have a question or concern we can help you understand so citations are avoided and the neighborhood curb appeal is preserved. If in doubt always review your lease. Your mayor and deputy mayor are a resource for the residents, and when you have questions and concerns we truly would like to help. Have a safe and joyful February! Respectfully, Your Kiowa Mayor and Deputy Mayor.
