Happy Valentines Day

Style

Make a meal only out of heart-shaped items, foods that are red, or both. Serve with wine over candle light. Write a love letter to say I love you or create handmade coupons with gifts your partner can use anytime, such as a massage or a night out on the town with friends.

If Spouse is deployed get out and get moving. If you think you'll have a day to yourself, don't waste it by sitting on the couch try skiing, snowboarding, or snowmobiling. Or, treat yourself to a day spa for pampering and some R&R.

Presidents Day Feb 18 2013

Presidents' Day is an American holiday celebrated on the third Monday in February. Originally established in 1885 in recognition of President George Washington, it is still officially called "Washington's Birthday" by the federal government. Traditionally celebrated on February 22—Washington's actual day of birth—the holiday became popularly known as Presidents' Day after it was moved as part of 1971's Uniform Monday Holiday Act, an attempt to create more three-day weekends for the nation's workers. Presidents' Day is now popularly viewed as a day to celebrate all U.S. presidents past and present.

Supervision of Children...

Children should be closely supervised at all times. Children under age 10 cannot be left alone in the home. Children under the age of 6 must be under a parent's direct control and supervision at all time.

Go Green:

Water it is a limited resource , use it wisely...

Take shower instead of baths
Wash clothes in cold water instead of hot
Wash dishes when dishwasher is full
Use water sparingly while brushing your teeth
When washing dishes by hand, don't let the water run while rinsing. Fill one sink with wash water and the other with rinse water.
