**Pawnee Village Neighborhood Watch**

In order to survive, thrive and succeed, our Neighborhood Watch needs one thing...volunteers. We are looking for individuals who are willing to give their time on order to help us keep our communities safe and secure.

We need you to be our eyes and ears. We need you to help us deter crime, safeguard residents, and protect the property of all our residents.

Are you PCSing and need a special trash pick up?

R

Don't stress if trash was just collected and you have no where to put yours upon a PCS, you can get a special pick up!

E

**Some friendly reminders...**

S

There has been a rise in the dog fecies throughout the village and though we are trying to get a doggie dumpster please know that it is your responsibility as a pet owner to pick it up and throw away. Please do NOT leave it in your neighbor's yard, this IS considered a violation and can cause a warning if your neighbor reports you.

S

Also during our "freeze" season don't forget to leave your heat on at least at 65 degrees, and leave your cabinets open to keep the piping warm, a slow trickle in water would not hurt either. Just keep these suggestions in mind as a precaution to keep your pipes from freezing. NEVER turn your heat off completely!

**Fort Carson has text-a-tip!**

Text "CARSON PD" to 274637 (CRIMES) with your tip!
