## School Calendar:

- **01/18:** no students

# Happy New Year!

May this new year, bring love and joy to your home

## Winter Tips:

In this cold weather and Holiday season when many of us will be away from our homes it's a good idea to use the following tips. Remember to dress appropriately and when necessary keep your sidewalks and steps clean and safe with salt and a shovel. Also, remember things that you will need to keep your home in good working order throughout. To prevent pipes from freezing, drip your water, leave cabinets under kitchen sinks open to keep them warm and disconnect hoses from outside spigots. If you are taking a trip its not a bad idea to leave your heat on at a low but reasonable temperature (70/day-60/night) to keep things from getting too chilly while you are away.

### Just a few reminders:

- **Curfew:** unmarried civilians under 18 years of age should not be in a public place on Ft. Carson during the following hours:
  - Sun.-Thurs: 10pm-6am
  - Fri.-Sat: 12am-6am
- **Noise Control/Quiet Hours:** excessive noise during "quiet" hours (2200-0600) could be a basis for a complaint of disturbing the peace and could result in a punitive action.

### Trash and Recyclables:

- **Trash bins can be put out at 7am and put away by 7p.m. on Wednesdays**
- **Recycle your newspapers, if your neighbors are out of town be kind and pick them up**
