2013 New Year Edition

Happy New Year to all our fellow neighbors...

With 2012 behind us we are into a New Year. For some 2012 was a trying year with deployments, single parenting our child/children, and the unknown of what's to come...this is our life as a military family. With the support of each other we always get through.

As 2013 rolls in, we wish you the happiest, healthiest year to come. If there is ever anything we can do for you please know
