Ute Hill Village News

January 2013

*** Remember to drip your faucets, open cabinetry doors where pipes are located and keep your heat set to 66 degrees if you are leaving town for any period of time.**

***Also remember to disconnect hoses from outside spigots.**

*** Lastly – if you are leaving town for an extended period of time, please fill out a temporary notice to vacate form with the BBC Housing Office – if they need to reach you in an emergency – this is their contact form.**

Stopping by Woods on a Snowy Evening

By: Robert Frost

Whose woods these are I think I know.
His house is in the village though;
He will not see me stopping here
To watch his woods fill up with snow.

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake.

The woods are lovely, dark and deep.
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

If you enjoyed a beautiful real Christmas Tree this season – you can properly dispose/recycle them by either bringing the undecorated tree to 6271 Mekong Street or to the PX Parking lot between December 31 and January 31.
